**Notice for Tennessee Accredited Asbestos Firms**

Beginning July 1, 2015, the Tennessee Department of Environment and Conservation, Division of Solid Waste Management Toxic Substances Program will begin to inspect accredited firms for compliance with the recordkeeping requirements under Rule 1200-01-20 Asbestos Accreditation Requirements. The inspector conducting the inspection will request to review the firm records for the last 3 years, if applicable.

Inspections will be conducted at the address provided on the firm's most recent application. All firms shall have their current physical office address on file with the asbestos program. If an entity has submitted a post office box number on their application, it is advised that said entity submit their physical address in writing not later than July 31, 2015 to:

Toxic Substances Program - Asbestos Accreditation Section  
William R. Snodgrass, TN Tower  
312 Rosa L. Park Ave, 14th Floor  
Nashville, Tennessee 37243 – 1535

The following section of Rule 1200-01-20-.03(5) will be evaluated for compliance:

(5) Accreditation and Re-accreditation of Firms

- (e) A firm shall maintain records, personnel employment, contracts for performance, final asbestos abatement reports, personnel and clearance air monitoring reports, etc. Upon request, the Commissioner shall be allowed to review appropriate documents to determine a firm's compliance with these Rules.

If there are any questions, please contact Jackie Manuel at (615) 532-9291.
